

AWAIT WILSON MOVE IN COAL DEADLOCK

Miners, Who First Asked 60
P. C. Advance, Said to Hold
Out Now for 35.

LEWIS IS IN WASHINGTON

Demand of 30 Hour Week Is
Looked Upon as Serious
Obstacle to Settlement.

WASHINGTON, March 12.—In all quarters concerned over the bituminous coal controversy disposition was evinced tonight to await President Wilson's move before taking any action.

The majority report arising from the split in the commission appointed after the coal strike last fall to make a settlement was at the White House, but the minority report of John P. White, miners' representative on the commission, still was uncompleted.

Neither of the documents, it was said at the White House, would be made public until the President determines whether Mr. White and his colleagues, Henry M. Robinson, the commission chairman and public representative upon it, and Rembrandt Peale, the operators' representative, could reconcile their views.

John L. Lewis, president, and other officials of the mine workers' union who are on the ground, kept in close touch with the situation today but refrained from comment. It was much anticipated, however, that the organization would not move until the President reached his determination of the issue.

Likewise the operators' representatives said they would await Mr. Wilson's decision before starting from Washington for his home in California and Mr. Peale has returned to New York, leaving Mr. White the only member here.

The majority report recommends that an increase in wages of 25 per cent. be given to the men, including the 14 per cent. awarded by former Post Administrator Garfield, and that the operators pay and allowances between different mining districts be referred to another commission.

Mr. White will recommend that the increase be fixed at approximately 35 per cent. It is understood that the only factor regarded as serious in the differences in the hour schedule. The original demand of the mine workers was for a thirty hour week and a 60 per cent. increase in the differentials arising in and between districts.

ALL IS HARMONY IN ANTHRACITE PARLEY

New Scale Likely to Be Arranged at Meeting Here.

Satisfaction with the progress being made by a subcommittee representing anthracite miners and operators engaged in drawing up a new wage agreement, to become effective April 1, when the present contract expires, was expressed today by Phil Murray, district vice-president of the United Mine Workers, and W. L. Connell, representing the operators, after a meeting in the Union League Club.

Discussion was devoted chiefly to the interpretation placed by the miners upon their request for payment for all dead work and demand for the abolition of the "dockage" system. The demands for 60 per cent. increase in wages today and a six hour day have not been discussed.

52 INDIANA COAL MEN IN INDICTMENT LIST

Capiases Are Issued and Will Be Served Next Week.

INDIANAPOLIS, March 12.—Capiases for the 52 coal miners and operators indicted by the special Federal grand jury here yesterday on charges of violating the Lever law and Federal criminal code were being issued today and probably will be served next week, it was said by Government officials.

The charges in general allege conspiracy to enhance prices of coal. The names of those indicted were not announced, although it was admitted that fifty-two of the persons named are Indiana men.

SPIKERS ADOPT WAR BABY.

Court in Baltimore Grants Their
Petition.

BALTIMORE, March 12.—Julius Stanton today granted the petition of Percy Spiker and his wife for the legal adoption of the baby of the English girl Emily Knowles, now the wife of Guy Spiker, brother of Percy Spiker. Counsel for the petitioners told the court of Percy Spiker's dual relationship with the two women as the husband of one and the war time sweetheart of the other. He said Spiker and his wife wanted to rear and educate the child, because the mother was not so financially situated as to give it the opportunities that the father could.

The mother of the child was questioned by the judge said she gave her consent unreservedly, because she believed her baby would be better off and the advantages it deserved through its adoption jointly by its father and his wife.

Higher Tube Fares Favored.

Following an address by officials of the Hudson and Manhattan Railroad Company, in which were described the financial situation of the company, the directors of the Jersey City Chamber of Commerce yesterday adopted resolutions favoring higher fares for the tube.

Green Root, president of the company, told the directors of the chamber that the net income available for interest on the company's bonds is \$1,117,000, or \$1,201,225 less than was required.
